Survey Report

Post Close Survey - Taylor Harrison - Wednesday November 9, 2016

How would you rate the level of service you received from us?

Excellent

How would you rate your level of satisfaction with the overall experience in dealing with us?

Very Satisfied

Would you mind providing a client testimonial about your overall experience?

The whole team at Hi-Tech was great. In buying my house at a young age (21), Scott and his team took my inquiry seriously unlike many others. Because of that, I felt comfortable coming back 3 years later to refinance. In refinancing, I had the pleasure of working with even more of the team, Joe and Samantha to be specific, who had great follow up and were excellent to work with in general.

Was there anything we could have done to improve the overall experience for you?

Great work.

Would you be willing to recommend us to family members or friends?

Yes

We have been fortunate to meet reputable people in other businesses. Do you need a recommendation for a particular service or industry?

No

May we use your feedback from this survey as a client testimonial on marketing pieces?

Yes
